

## **Cancellation Policy:**

Deposits and/or rental payments are non-refundable, unless we can re-rent your reservation. Please understand, we are a small, family owned business, that depends on rentals. We ride, understand and live snowmobiles! If you are snowmobiling, please make sure you make your reservation when you are comfortable there is adequate snow. We also rent to a large number of people who do winter sports including skiing, snowboarding, snowshoeing, ice fishing, etc.

DO NOT RIDE YOUR SNOW MACHINES ANYWHERE BUT THE DRIVEWAYS PLEASE! *Anyone caught riding off the driveways will be asked to leave the property immediately.* (there is underground plumbing and septic lines that will freeze if the snow is not kept loose on top of them. Also, there are many planted flowers, landscaping, sprinklers, and electrical lines that aren't visible under the snow).
